Office Policies

Our philosophy is to provide you with excellent care. In meeting this high standard, however, some procedures may not be covered by your dental plan. We do not choose treatment based on your coverage but rather, your individual dental needs and desires.

CANCELLATION POLICY:

Two business days notice is required to change your appointment or a FEE will be charged according to the amount of time booked for your reserved appointment. Failure to attend appointments or provide adequate notice deprives other patients of access to treatment, some of which may be urgent in nature. This adds significantly to the cost of everyone's dental care.

DENTAL INSURANCE POLICY:

Our office accepts insurance assignments for most dental plans on behalf of our patients. Due to extensive cutbacks by all dental plans, we feel it is necessary to inform you that some procedures may not be covered by your plan. Dental plans vary greatly. The forms, conditions, and percentages of payments are contracted between you, your employer, and the insurance company. The percentage of coverage relate to Insurance Company fee schedules, which may not necessarily correspond to Sage Dental Centre's fee schedule and/or the current College of Dental Surgeons of BC fee schedule. Please take the time to read over your individual plan and be aware of its limitations and changes (e.g. scaling limits, recall limits). This is YOUR responsibility. All services not covered by your plan will be billed to you.

CLAIMS POLICY

I authorize the release, to my dental insurance plan administrator and the Canadian Dental Association, information contained in claims submitted electronically.

I hereby assign my benefits, payable from claims submitted electronically, to Sage Dental Centre and authorize payment directly to said company.

This authorization shall continue in effect until the undersigned revokes the same. I will allow sharing my demographic, medical and dental information with other health providers if necessary.

I have read and understand the above policies and agree to their content.

DENTAL PHOTOGRAPHY

I, _____ (Patient), authorize Sage Dental Implant and Smile Centre, to use photographs, and/or videos of my face, jaws and teeth, before, during and after treatment.

I consent to allow the photographs to be used for the following:

Dental Records

Dental Research

Dental Education including lectures, seminars, demonstrations, professional publications such as journals or books

Marketing material, including websites and printed materials, patient education

I further understand that if the photographs and/or videos are used, my name or other identifying information will be kept confidential.

I do not expect compensation, financial or otherwise, for the use of these photographs.

Check here if you do not want your full face shot used for any of the above purposes
